Section 4: Show Rules

Decision of Judges: Judges are selected by the Arkansas State Fair Show Management, and in every case the judge is selected with the utmost care, and as far as possible, will be of national reputation. The decisions of the judges are final in all cases, except where mistake, fraud, misrepresentation or collusion, not discovered at the time of the award, is proven. In such cases, the show management will make the final decision.

Interference with Judges: If an exhibitor in any way, whether in person or by agent, or servant, interferes with the judges during their adjudication, or shows any disrespect to them, the Arkansas State Fair or the Arkansas Livestock Show Association event in which he or she is participating, the Arkansas State Fair show management may demand a proper apology from such exhibitor, and such action will exclude him or her from competition and from the ring and may also withhold from such exhibitors any premiums that may have been awarded.

Control of Animals: All open and junior exhibitors must have complete control of their animals in the show ring at all times. Any animal that breaks away from the exhibitor more than three times will be excused from the ring and disqualified. If, in the opinion of the show official, an animal is unruly to the point of endangering other exhibitors or animals, that animal will be excused from the ring and disqualified. All breeding cattle and steers for exhibition must be shown with halters and be sufficiently gentle to be properly handled by one attendant on foot. All bulls, 6 months or older, must be shown with nose ring or nose clip and lead.

Time of Judging: The Livestock Schedule, as published in the Livestock Exhibitor Handbook, will be followed as closely as possible. Exhibitors should ascertain as to what time their exhibits would be judged. Any exhibit not presented promptly on schedule will be ruled out and barred from competition in the class called. No complaint or protest on the ground that the judge overlooked exhibits will be considered. Paging for shows is provided as a courtesy by the Arkansas State Fair, but it is the responsibility of the exhibitor to maintain the required schedule.

Disqualified Animals: Should any animal awarded a prize be disqualified, the animals gaining the lower prizes should graduate up in to the higher positions next in order above them. If a Champion or Reserve Champion is disqualified after the show, a Reserve Champion will not be named.

Showing for Adjudication: All exhibitors must bring in to the arena for adjudication any animal or animals properly entered in any show class as eligible for competition. No animal will be awarded a prize unless removed from its stall or pen and properly exhibited before the judge in the show ring.

Protests: All protests must be in writing and accompanied by a deposit of \$250.00, cash or certified check, which will be forfeited if protest is not sustained. Such protest must state plainly the cause of the complaint or appeal and must be delivered to the Livestock Office to show management within two hours after the occasion for such protest. Any protest as to the eligibility on account of age of breeding of animals must be filed with the show management prior to the day on which they are to be judged. In this case, the decision of the Breed Association of Record for the animal(s) in question will stand in accordance with the conclusion of the show management. Protests must be submitted either prior to judging or immediately after the conclusion of class judging. Judging procedures will NOT be interrupted for protest investigation; and depending on the basis of the protest, a decision may be withheld until a thorough investigation is completed. In addition to the right to protest herein granted

to exhibitor, the Arkansas State Fair reserves the right to take cognizance of fraud consummated or attempted in connection with an exhibit, and take such action as may be deemed just and proper, and as may be warranted in these premises. No protest or appeal based upon the statement that the judge or judges are incompetent will be considered by the show management. All questions in dispute or difference not covered by these rules will be referred to the show management, whose decision shall be final. The decision of Classifiers, Weigh Masters, Judges, and Veterinarians shall NOT be subject to protest or appeal.

Interpretations and Violations of Rules: The Arkansas State Fair reserves to its show management the final and absolute right to interpret these rules and arbitrarily settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of or connected with, or incident to the Arkansas State Fair; and the right to amend, interpret, or add to these rules as its judgment may determine. An exhibitor who violates any of the rules will be subject to such penalty as the Livestock Department show management may order.

Attesting of Awards: The judges, superintendent, and a clerk must sign the award book with awards entered after each show. The judge and superintendent should use special care to see that each award is properly entered in the award book.

Discourtesy/Disobedience: Any act of discourtesy or disobedience to Arkansas State Fair officials on the part of the exhibitor, parents, or sponsors will disqualify exhibitor from the contest, and the owner shall forfeit their entrance and other fees. Any exhibitor, parent or sponsor who shall attempt to interfere with judges in the performance of their duties, or who shall make any false statement in regard to any animal exhibited or shall interfere with clerks' and judges' books shall be excluded from the competition and may be subject to other disciplinary actions.

Delinquent Acts: If an exhibitor is caught having any involvement in any delinquent act or being involved with a disqualified entry, they may be removed from the grounds, forfeiting any further competition, awards, premiums, sale slots, and/or proceeds. Fees will not be reimbursed and the exhibitor may be barred from future competition at the Arkansas State Fair or any Arkansas Livestock Show Association event. Extent of knowledge on the part of an exhibitor with regard to the animal being subject to any prohibited act is not relevant to any issue, and it shall not be a defense that a person or persons unknown subjected the animal to any prohibited act.

Penalties: Any exhibitor who violates any of the rules contained herein, or whose animal has been found to be in violation of the rules is subject to such penalties as the management may order, including but not limited to:
